Purpose, Passion, Pride

2022 has started and with the new year comes opportunities to try new things. With the shedding of 2021 people are looking for ways to improve upon and mold this year to be the best one ever.

Here at Lake Geneva Tennis, we are happy to provide professional staff to strengthen your skill level in either Pickleball or Tennis.

New to Pickleball? Join us for an open play or contact the Front Desk to get into a beginner's lesson with one of our professionals.

Want to get into Tennis or master that one-handed backhand? We have introductory classes and a Ball Machine to further develop your strokes. Take a private lesson with a pro to develop proper technique.

Make 2022 the year of improvement! We are here at LGT to help make that a reality!

WINTER WEATHER TIPS

RACKETS

Leaving your racket in the cold can affect your string tension. Cold strings will have a higher tension than warm strings. Prevent this by keeping your racket in an insulated bag and out of cold temperatures.

SHOES

Salt, ice, and snow wreak havoc on indoor courts. We ask you change your shoes prior to stepping onto courts.

PARKING

When parking on the west side of the lot, watch for ice accumulation near the middle of the road.

LOCKERS

LGT offers lockers in each restroom. Lockers are free for daily use, just provide your own lock while on court. Overnight or long-term rentals are available, inquire at the desk for additional information.
