## Recap of the Past Year

As we end 2021 we wanted to look back at the past year and thank all of our Members for a great year. We are beyond thankful to continue growing as a Tennis and Pickleball facility.

We had many of our Tennis Juniors compete in the state tournament representing Wisconsin and Illinois. This year we witnessed Reese Brantmeier, compete in her first Main Draw at the U.S. Open.

Our Facility has grown in staff, welcoming Mike Dierberger as our Director of Tennis, Mitch Toboyek Tennis Professional, and John Cincola as our Director of Pickleball.

With the pandemic still circulating the world, we ask that if you show any signs or symptoms of COVID that you refrain from coming to the club. We value your health and the health of our pros, staff, and fellow members. Let's all continue to do our best to navigate these trying times.

Look for our next monthly newsletter highlighting events and news for LGT at the beginning of January!
